### **Draft Town Plan for Soham** **Public Consultation**

Soham Town Council have prepared a document which sets out how they think the town should be developing in the next 10-20 years. This document will eventually be submitted to East Cambridgeshire District Council for inclusion in their Local Plan document.

It is important to note that this document only covers items within the remit of Planning.

The Town Council would now like to hear from as many people in the community as possible (either as individuals or as groups). We want to know their views on this document. Have we included everything we should have done? What have we missed? What is in the wrong place? Or do you agree? Any other suggestions?

#### **We need to know your views**

Please complete the attached summary and return it to the Town Clerk by 22 January 2006 either on line or on paper. Even if you have no comments please return the form so that we know you have considered the document.

**Thank you**
